

# BSB41415 Certificate IV in Work Health and Safety

## Qualification Description

This qualification reflects the role of workers who apply a broad knowledge base and well-developed skills in a wide variety of contexts and may include coordinators, advisors and facilitators.

## Entry Requirements

There are no entry requirements for this qualification.

## Language, literacy and numeracy

All applicants are required to complete a Language, literacy and numeracy assessment prior to enrolling and will require sufficient language, literacy and numeracy skills to be able to complete the assessment. This program requires sound communication and interpersonal skills, the capacity to read and interpret written instructions and the ability to analyse and write reports in context to the job role.

## Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Education Pathways

BSB51315 Diploma of Work Health and Safety.

## Employment Pathways

Suitable for people working in a Work Health and Safety (WHS) role who work to provide leadership and guidance to others and have some limited responsibility for the output of others.

## Packaging Rules:

10 units must be completed:

- 5 core units
- 5 elective units

## Core Units

BSBWHS402	Assist with compliance with WHS laws
BSBWHS403	Contribute to implementing and maintaining WHS consultation and participation processes
BSBWHS404	Contribute to WHS hazard identification, risk assessment and risk control

BSBRES401	Analyse and present research information
BSBWHS410	Contribute to work-related health and safety measures and initiatives
PUAWER002B	Ensure workplace emergence prevention procedures, systems and processes are implemented
TAEDEL301A	Provide work skill instruction

## Location\*

This course is delivered offsite at a venue negotiated with the client.

## Duration\*

12 to 14 months in a workplace setting.

## Mode of delivery

All courses offered by TABMA Training are delivered to meet student needs in a similar format with either face to face tuition and/or mentoring support. Some programs have a class-based training schedule to assist students with more comprehensive subjects and assessments.

Students are expected to attend all classes and successfully complete all tasks and activities during the course. There are also activities to be completed outside of the workshops. These activities are aimed at allowing the learners to apply the course content in their own workplace environment.

## Assessment type:

The assessments are competency based and use an open book approach book comprising both theoretical and practical exercises. These assessments typically include written questions; case studies/scenarios; individual assessment, and practical tasks in an actual workplace environment.

## Student Eligibility Criteria:

There is no student eligibility criteria.

## Recognition of Prior Learning / Credit Transfers:

### Recognition of Prior Learning

Students may be eligible to apply for recognition of their chosen qualification by providing evidence of their previous training, employment experience or other life skills that meet qualification requirements. Successful applications may result in a reduced training time.

### Credit Transfer

Students may be eligible to apply for credit transfer. This is where you can provide evidence of previous studies where there is equivalence to the units of competency within the course. (Please refer to student handbook).

## Costs

Fee for service: \$5000 per full qualification or \$500 per unit of competency
