FWPCOT2235	Assess timber for manufacturing potential

Elective Units

FWPCOT2227	Process orders and despatch products
FWPCOT2228	Store materials
FWPCOT2229	Dock material to length
FWPCOT2230	Assemble products
FWPTMM2201	Cut material to length and angles
FWPCOR3204	Visually assess materials

Location*

This course is delivered offsite at a venue negotiated with the client.

Duration*

12 months.

Mode of delivery

All courses offered by TABMA Training are delivered to meet student needs in a similar format with either face to face tuition and/or mentoring support. Some programs have a class based training schedule to assist students with more comprehensive subjects and assessments.

Students are expected to attend all classes and successfully complete all tasks and activities during the course. There are also activities to be completed outside of the workshops. These activities are aimed at allowing the learners to apply the course content in their own workplace environment.

Assessment type:

The assessments are competency based and use an open book approach book comprising both theoretical and practical exercises. These assessments typically include written questions; case studies/scenarios; individual assessment, and practical tasks in a simulated workplace environment.

Recognition of Prior Learning / Credit Transfers:

Recognition of Prior Learning

Students may be eligible to apply for recognition of their chosen qualification by providing evidence of their previous training, employment experience or other life skills that meet qualification requirements. Successful applications may result in a reduced training time.

Credit Transfer

Students may be eligible to apply for credit transfer. This is where you can provide evidence of previous studies where there is equivalence to the units of competency within the course. (Please refer to student handbook).

Costs

Fee for Service: \$5525 per full qualification or \$425 Per unit.
