

# AHC10116 Certificate I in Conservation and Land Management

## Qualification Description

This qualification is an entry-level qualification aimed at individuals entering conservation and land management industry. It allows individuals to develop basic skills and knowledge to prepare for work. They may undertake a range of simple task under close supervision. The range of technical skills and knowledge is limited.

## Entry Requirements

There are no entry requirements for this qualification.

## Language, literacy and numeracy

All applicants are required to complete a Language, literacy and numeracy assessment prior to enrolling and will require sufficient language, literacy and numeracy skills to be able to complete the assessment. This program requires sound communication and interpersonal skills, the capacity to read and interpret written instructions and the ability to analyse and write reports in context to the job role.

## Licensing/Regulatory Information

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Employment Pathways

Individuals entering into this industry may take on jobs roles as a horticulturist or parks and garden assistant.

## Education Pathways

ACH21016 Certificate II in Conservation and Land Management

## Packaging Rules:

6 units must be completed:

- 2 core units
- 4 elective units

## Core Units

AHCWHS101	Work Safely
AHCWRK101	Maintain the workplace

## Elective Units

AHCCHM101	Follow basic chemical safety rules
AHCMOM101	Assist with routine maintenance of machinery and equipment
AHCNAR101	Support natural area conservation
AHCWRK204	Work effectively in the industry

## Location\*

This course is delivered offsite at a venue negotiated with the client.

## Duration\*

6 months in a simulated or actual workplace setting.

## Mode of delivery

All courses offered by TABMA Training are delivered to meet student needs in a similar format with either face to face tuition and/or mentoring support. Some programs have a class-based training schedule to assist students with more comprehensive subjects and assessments.

Students are expected to attend all classes and successfully complete all tasks and activities during the course. There are also activities to be completed outside of the workshops. These activities are aimed at allowing the learners to apply the course content in their own workplace environment.

## Assessment type:

The assessments are competency based and use an open book approach book comprising both theoretical and practical exercises. These assessments typically include written questions; case studies/scenarios; individual assessment, and practical tasks in a simulated workplace environment.

## Recognition of Prior Learning / Credit Transfers:

### Recognition of Prior Learning

Students may be eligible to apply for recognition of their chosen qualification by providing evidence of their previous training, employment experience or other life skills that meet qualification requirements. Successful applications may result in a reduced training time.

### Credit Transfer

Students may be eligible to apply for credit transfer. This is where you can provide evidence of previous studies where there is equivalence to the units of competency within the course. (Please refer to student handbook).

## Costs

### Funding:

This training is subsidised by the Department of Employment, Small Business and Training (DESBT) - Skilling Queenslanders for Work (SQW)
