

FWP40116 Certificate IV in Forest Operations

Qualification Description

This qualification is designed for job roles in the forest operations sector of the forest and forest product industry.

Entry Requirements

There are no entry requirements for this qualification.

Language, Literacy and Numeracy

All applicants are required to complete a Language, literacy and numeracy assessment prior to enrolling and will require sufficient language, literacy and numeracy skills to be able to complete the assessment. This program requires sound communication and interpersonal skills, the capacity to read and interpret written instructions and the ability to analyse and write reports in context to the job role.

Licensing/Regulatory Information

Licensing, legislative, regulatory, or certification requirements may apply to units in this qualification in some states and territories at the time of publication and may differ according to jurisdiction.

Employment Pathways

This qualification has eight employment pathways for typical forest operations environments. These are:

- Arboriculture supervisor
- Farm forestry supervisor
- Forestry supervisor
- Forestry operations supervisor
- Harvesting team leader
- Propagation and stand health supervisor
- Tree farm supervisor

Location*

This course is delivered offsite at a venue negotiated with the client.

Duration*

12 - 18 months in an actual workplace environment.

Mode of delivery

All courses offered by TABMA Training are delivered to meet student needs in a similar format with either face to face tuition and/or mentoring support. Some programs have a class based training schedule to assist students with more comprehensive subjects and assessments.

Students are expected to attend all classes and successfully complete all tasks and activities during the course. There are also activities to be completed outside of the workshops. These activities are aimed at allowing the learners to apply the course content in their own workplace environment.

Language, Literacy and Numeracy

All applicants are required to complete a Language, literacy and numeracy assessment prior to enrolling and will require sufficient language, literacy and numeracy skills to be able to complete the assessment. This program requires sound communication and interpersonal skills, the capacity to read and interpret written instructions and the ability to analyse and write reports in context to the job role.

Assessment type:

The assessments are competency based and use an open book approach book comprising both theoretical and practical exercises. These assessments typically include written questions; case studies/scenarios; individual assessment, and practical tasks in a simulated workplace environment.

Recognition of Prior Learning / Credit Transfers:

Recognition of Prior Learning

Students may be eligible to apply for recognition of their chosen qualification by providing evidence of their previous training, employment experience or other life skills that meet qualification requirements. Successful applications may result in a reduced training time.

Credit Transfer

Students may be eligible to apply for credit transfer. This is where you can provide evidence of previous studies where there is equivalence to the units of competency within the course. (Please refer to student handbook).

Costs

QLD Funding - Qld VET Investment

Certificate 3 Guarantee (QLD)
